That's the price for a box of 10 Smoozes. A Smooze is made from coconut milk and real tropical fruit. It has 40 per cent less sugar than the average frozen snack, as well as a low fat content, zero cholesterol and trans fats, which can be attributed to its coconut milk base.

STOCKISTS: Smooze is available in three varieties: coconut/mango, coconut/pink guava and coconut/pineapple, **from Coles and Woolworth supermarkets.**
